TITLE:

Joint Work Session Discussion on Crown Farm
Charrette.

SUPPORTING BACKGROUND:

A planning charrette was held September 22-25 for the Crown Farm parcels at Fields Road and Same Eig Highway.

The owners of the property have expressed a desire to petition the City for annexation of approximately 180 acres of land. In preparation for the potential annexation, the development team conducted a planning charrette and solicited the participation of residents, businesses, City staff and other stakeholders.

During the charrette, a number of topics were discussed as they relate to the site. Topics discussed included transportation systems, environmental issues, schools, historic preservation, community facilities and potential land uses. Approximately 250 stakeholders attended the various work sessions.

The development team has prepared a 30 minute presentation that will provide an overview of the charrette process, share the input received from stakeholders, present conceptual land use ideas and discuss next steps.

DESIRED OUTCOME:

Hear presentation.
